Re: Cashless Payment Options

Debit/Credit Card Payment for Cafeteria and Parking Services

Providing an easy and simple option to handling cash is important to protect the health and safety of patients, visitors and staff.

Currently there are several Horizon facilities where cafeteria and parking services operate as cash only. Beginning today, we are pleased to offer the option of cashless payment, using debit or credit card, across our all of our Horizon facilities.

Locations where debit and credit card payments will now be available:
